Thank you! When all the sign-up forms are in you will be contacted about your team. It is possible that there won't be a team for every student who signs up if there are not enough Team Managers. No money is due until the student is on a team.

Please turn this in at the DI Info night or to the MPA office.

DI at MPA Fees

- 1) A parent must be a member of MPA/PTA as our PTA pays the majority of DI at MPA's local, state and national fees.
- 2) There is a \$10 fee (your part of the local, state and national fees) payable to MPA/PTA
- 3) There is also a \$10 fee payable to the Team Manager which helps cover the cost of team activities and materials.
